## Opening Session-LeAnn Thieman

LeAnn is a professional speaker, author and nurse, but her favorite role is still wife and mother.

While the "Operation Babylift" experience dramatically changed her life, LeAnn credits her rural roots for having shaped it. One of eight children, she was raised on an Iowa farm. This simple and honorable lifestyle established the principles and priorities that guide her life today.

And, she is back as our opening session speaker. Opening session is scheduled for 4:00 p.m. on Tuesday, June 29, 2010.
